

Sydenham Lake Association's Poker Run Social Rules

- THIS IS NOT A RACE, it's a social event
- Starting at 1:00pm participants on each boat will build their poker hand by collecting a card at each of the 5 mystery docks located on Sydenham Lake, Eel Bay and Little long lake
- Each of the 5 participating docks will be marked with an SLA sign
- Each participant can only draw one card at each dock at a price of \$ 2 per card. No duplicate cards can be used. If a duplicate is drawn the participant must redraw their card.
- The person in charge of each dock will mark the participant's scorecard with a unique mark or initial indicating the card drawn.
- At 3:30 all boats will raft up in Sydenham Lake in the bay adjacent to the railway bridge (Look for the SLA sign) where scorecards will be collected. Winners will be announced at 4pm. In the event of a tie prize money will be split.
